

Breakfast & After School

At Blackhorse Primary School, our wrap around care of Breakfast & After School Club offer a safe, fun, and enriching environment where children from Reception to Year 6 can continue to grow beyond the classroom. Built on our values of **Respect, Pride, Bravery & Success**, the Club gives children access to expert-led activities, purposeful workshops, and caring supervision—all designed to support learning and personal development in a relaxed, supportive space. Whether your child loves arts, craft, playing outside, or creative exploration, our After School Club ensures they leave school smiling, confident, and ready for tomorrow. Join us in helping your child become a Champion Learner.
