If your school has the Meal Menus functionality enabled, you can choose your child's meals in advance using the Meal Choices area!

Please note that once the deadline your school has set passes, you can no longer see your meal choices - please contact your school if you'd like further details.

On the Parent Portal

On the Arbor App

From the main Parent Portal page, click **Quick Actions** and select **Meals**.

You'll be taken to the **Meal Choices** page, where you will be presented with a list of Meals that have available menus to choose from. You can see past meals by using the Academic Year drop-down menu.

Click on a meal.

You can then see the **Meal Choices** page:

- You can see your child's meal account balance at the top - if this balance is negative it will be highlighted in red.
- You can top up the balance via card payment using the **Top up account** button. You can see more about topping up here: [Topping up the meal account on the Parent Portal or Arbor App](#)

On the page you can see all future dates you can select a meal for:

- **Deadline passed** - the deadline your school has set to make a meal choice has passed and cannot be edited by you. Your child's teacher can amend their choice while taking the register, or you can contact your school if you'd like to specify what meal your child is going to have.
- **No choices made** - click to select the meal your child will have.
- **Meal Choice** - you've set a meal choice already, but you can click it to change your choice.
