Exploring and tents!

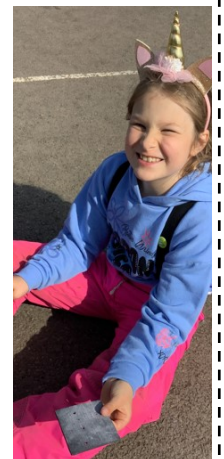

Welcome to the final term of this year—I can hardly believe how the time has flown by!

As usual, term 6 is packed with activities and we have started with a busy week. Sycamore Class children loved visiting the Explorerdome with their Cherry Class friends. We learnt all about space and the water cycle together whilst watching light projections in the explorer tent.

On the subject of tents..... our year 4 children have been joining their mainstream friends and getting involved in tented camp! Activities have in-

Sports Day

This will take place on Friday 13th June (yes, that soon!) in the afternoon. Children are to come to school in their PE kits. Like previous years, there will be an opportunity to have a picnic lunch on the field with your child between 12:00 and 13:00 before the sports day starts so, if you would like to do this, please provide a packed lunch!

There will be a series of activities set up around the field and playground for the whole of key stage 2 and we will go from activity to activity with parents as a class. Last year we discovered new sporting talent in the children including shot-putting and sprinting so who knows what new sporting prowess we'll see this year!

If the 13th is a complete wash-out, there is a reserve sports day on 27th June.

Transition Time

It's that time of year where we start to think about new beginnings in September! We are looking forward to welcoming new students to Sycamore Class next year but we will be sad to say goodbye to our current year 6 children! Anthony, Zayn and Laiken, we are so proud of what you have achieved in your time at Blackhorse and we wish you lots of luck for the future.

Bridge Building

As part of our history and DT project, the children have been working hard on building bridges after being inspired by Isambard Kingdom Brunel and Clifton Suspension Bridge. Look out for their amazing creations coming home soon!
