

The puppy has bitten my slipper.

Have you tasted the
food I am making?

A jogger gets fitter by running.

I am trading in my old
car for a new one.

My flabby tummy is getting fatter.

That puppy is chasing my cat.

She was dragged into
the muddy pond.

She is using up her savings.

He tripped and ripped
his baggy shorts.

I have stopped writing to him.

He is getting better at swimming.

I will be saving time by leaving now.
