

I will grease
the squeaky wheel.

I have seen my teacher
on the beach.

I see a green beast
in that tree.

We will defeat the
team from the east.

The tree will creak
in the breeze.

I eat beef and leek
for my tea.

If you tease me I
will not speak to you.

A streaming cold makes
you sneeze.

The greedy sheep
ate my sweets.

He put toffee in my coffee.

I like peaches and cream.

Weeds creep up in
the wet season.
