

### Nessy Rule

Use 'ai' at the beginning or in the middle of a word, e.g. 'aid'.  
Use 'ay' at the end or before a word ending (tail), e.g. 'play', 'playing'.

### make

Cut out the answer cards.

Cut out the question cards. Fold along the middle line and glue the blank sides together. The yellow side is the front, with the question, and the answer is in red on the back.

### How to play

1. Lay the answer cards face up beside each other.
2. Shuffle the question cards and lay the pack down yellow side up.
3. Each question card has part of the word missing. Place it on the answer card that will complete the word.
4. At the end turn over the questions to self-correct and count your score.
5. Next time try to beat your score and time yourself.
