(p.73-74)	Barack Obama comprehension text WALT: Sequence events and understand a range of vocabulary Activity – Find and Copy & Sequencing (p.75-76)	Barack Obama comprehension text WALT: Understand a range of vocabulary Activity – Underline or Highlight (p.77)
WRITING	Find today's video where we will walk through how to up-level writing, focusing on just one sentence, before you do the same with the sentences you are given.	We'll show you what hyphens are & how they're used – watch the video. You need to then find the Hunt & Sort the Hyphen sheet to complete the activity.	Watch the lesson video for today and find Hyphenated Compound Adjectives activity sheet, which is uploaded if you want your own copy.	Watch the lesson video for today and find To hyphenate, or not to hyphenate? activity sheet which is uploaded if you want your own copy.	Today is a one-off quick, short burst write where you should have some fun writing a silly, dark and ghoulish poem to entertain. Watch the video to see how silly and extreme you can be!
ENQUIRY	This week we are having an art focus. We are going to practise something called 'The Austin's Butterfly Effect'. This is when you practise something and each time it gets better. Have a look on our class page for some examples. For today, we would like you to re-watch Mr Botten's assembly where he reads the story of The Boy, the Mole, the Fox and the Horse. You can find it here or there is a link on our class page.	Today we are going to complete our first drawing! Firstly, watch this video for a tutorial on how to draw in the style of Charlie Mackesy (the author of the book). The link is also on the class page. Now, using the assembly from yesterday or this link choose your favourite image from the book. Finally, it's time to draw. Have a go at sketching the image. You may finish off with some colour if you wish.	For today's enquiry session, we would like you to analyse your drawing from yesterday. What went well? How could you improve? Now redraw the exact same image, trying to make it even better.	Today is your final drawing session. Once again, you are going to analyse the drawing from yesterday. What improvements did you make? Was there something you preferred in Tuesday's drawing. Now sketch your final image, making it the best it can possibly be. We would like you to bring in all three sketches when you return to school as Mr Botten wants to make a display! We can't wait to see them!	Choose one of the 'Being an Athlete' videos on our class page for this week (or even a previous week) & complete one or more of the challenges on there.
