Task:

- 1) Choose **six** different phrases from above and provide an explanation for the hyphenated noun phrases or a hyphenated version of the long phrase, e.g. *a boy with long hair – a long-haired boy*, *a spider that eats birds – a bird-eating spider*
- 2) Now choose **four** from above and up-level them into a complex sentence, as you are shown in the video. You can choose ones you have already worked on in task (1). Use the support sheets on the video too.
