

Homework 'Catch-Up' Task: Word Classes

Make a poster or learning game or just revision cards to help you learn the meaning of these word classes.

Add more examples than the ones given below.

Nouns are naming words (place – beach, object – apple, person – Henry, animal – cat)

Verbs are action/doing words (ate, swim, bake and sing)

Adjectives are describing words (rainy, spotty, huge, green)

Adverbs are words that describe a verb (softly, quickly, carefully, happily)

Proper Nouns are names of people, places, objects and events (Sam, London, Adidas, Christmas)

Conjunctions are words that join phrases or clauses together (for, and, but, even)

This task **could** be completed on the computer or you could use paper and pencils/ felt-tips.

This is **catch-up homework**. These terms should have already been learnt so you could recognise these different types of words in sentences throughout Key Stage 2.
