Year 3/ 4 Hot-words

Queen Elizabeth I is one of the most famous women in history. She was queen in the 16th century and her reign lasted for 44 years. Elizabeth I is remembered for her strength. She once said that she had 'the heart and stomach of a king' and was just as strong as any man. Her wisdom and her experience led England through a 'Golden Age' of exploration. It was also an age when new plays and poems were written.
