

Welcome to Friday, 21st January

You can complete these tasks in any order and only if you are feeling well enough to do so! Record them by typing or writing them in your home learning journal.

Maths

Complete the sheet we would normally stick in our books.

Use the knowledge you have learnt all week to help you see the connections between fractions, decimals and percentages. Remember those magic numbers – 10 and 100 which can really help you!

Writing

In school, we are editing and redrafting a paragraph of our persuasive writing from yesterday. Read back through it and see how you can do this. Remember feel free to show us what you have done to make your writing better. You can share this with us next week.

Open the Writing (SPaG) resource. Complete the quick SPaG starters that you have missed this week. Write the sentences out if you need to and use this as handwriting practice.

Reading

Remind yourself of the text you have read so far with White Fang (Monday resources) and the vocab mat too.

Use the reading resource for today to answer the next set of questions from the SAT paper – Q32 - 35. Try and get used to the SAT reading layout/ format.

Spelling

Like we usually do, you were going to be tested on the rules you have learned this week with these words:

changeable availability
suitably
incredibly
reliable
sensibly
forgettable
excitably
horribly

You could ask an adult at home to do so or/ and include them in a sentence, where you spell them **without** looking! 😊 Check with an adult what you should do.
