

Welcome to Monday, 17th January

You can complete these tasks in any order and only if you are feeling well enough to do so! Record them by typing or writing them in your home learning journal.

Maths

Complete the sheet we would normally stick in our books.

Remember:

$$18/100 = 0.18 = 18\%$$

$$20/50 = 40/100 = 0.40 = 40\%$$

Writing

Open the slides and tasks document. Follow the slides completing the tasks as you go. Don't forget to include those commas to separate clauses, as you type or write!

Reading

Read the extract of *White Fang*. You could choose to follow the links in the 'pre-learning' section of this week's home learning page:

<https://www.blackhorseprimary.org.uk/set-140122-due-210122-1/> where the text is read to you and there is a word mat to help your understanding of the words.

Text mark (if you can print out) the paragraphs three and four using 'think marks'.

Our Think Marks poster we use in school here:

Spelling

How many words can you think of which have the *-ible* and *-able* suffix in them?

This is our spelling focus of the week.
