

Welcome to **Wednesday, 19th January**

You can complete these tasks in any order and only if you are feeling well enough to do so! Record them by typing or writing them in your home learning journal.

Maths

Complete the sheet we would normally stick in our books. Today's learning is a recap of the work we have previously done on percentages. Always remember that a percentage is out of 100.

Writing

Open the task and support document to read what you have to do with the plan. We have put some support at the end of the document but are sure you have a lot more ideas that you can put into your own plan!

Reading

Today would be our silent reading session. Read your reading book at home and use today to make your quality, detailed comment. You could tell us about your character and your opinions of them and why. Maybe tell us what has just happened in the story and what might happen next. Add this to your reading record.

Spelling

Read the rules for adding –ible and –able to words using the spelling document.

Watch the three videos found here: <https://blackhorse-ps.primarysite.media/playlist/year-6-channel>

Add more words to your list from Monday. Write them like the example in the document.
