

(1) Read these rules

The Rules

Usually we just add the suffix to the root word

BUT

If the root ends in 'e' we drop it and add the suffix.

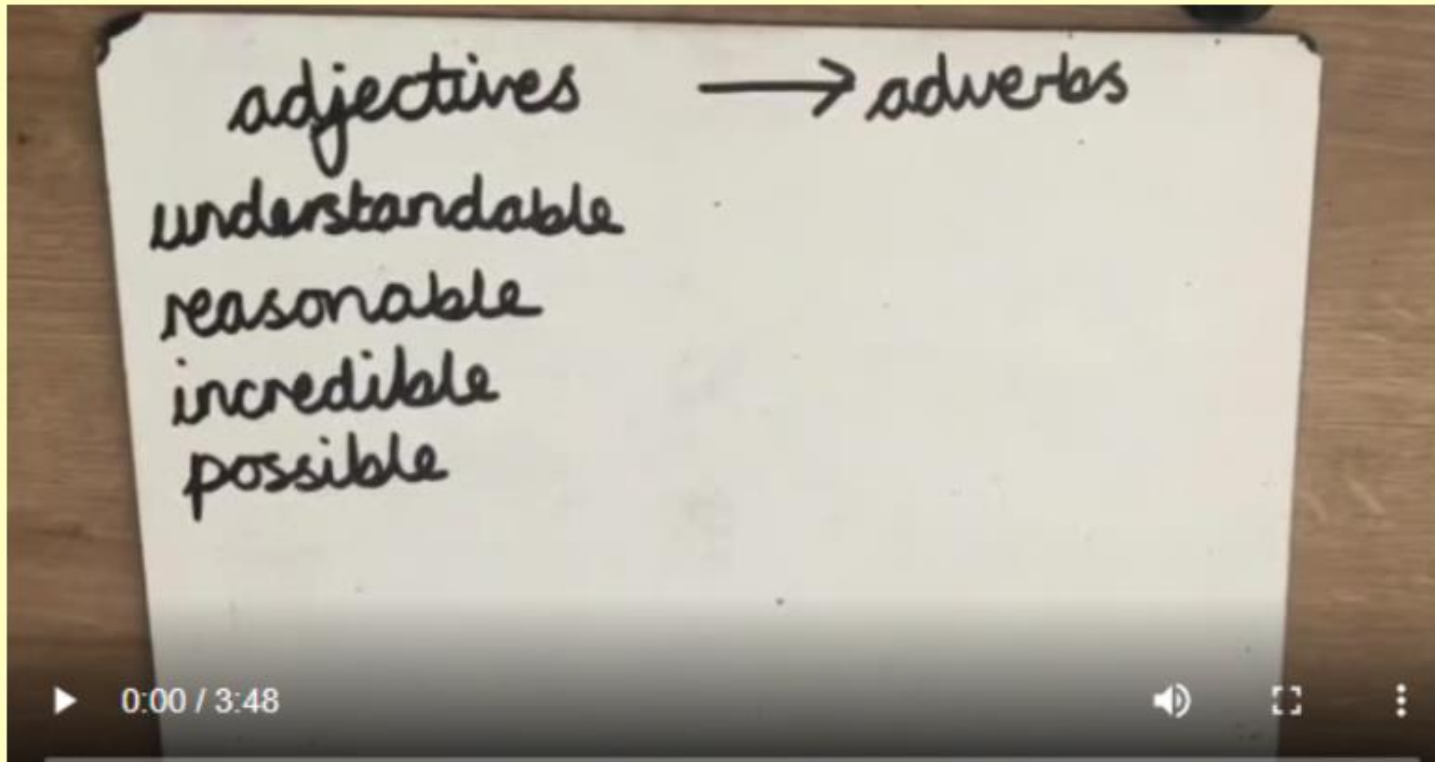

If the root ends in 'consonant + y' we change the y to an i and add the suffix

e.g. excite - excitable, rely - reliable

The Rules Continued

If *-able* is ended to words ending in 'ce' or 'ge' the 'e' is kept and the suffix added.

e.g. change - changeable, trace - traceable
