

Welcome to **Thursday, 20th January**

You can complete these tasks in any order and only if you are feeling well enough to do so! Record them by typing or writing them in your home learning journal.

Maths

Complete the sheet we would normally stick in our books.

Use the knowledge you have learnt earlier in the week when converting fractions to help you find decimals.

Writing

Today you need to use your plan from yesterday to write your persuasion – should Tristian open the box or not?

Open the support document as it will tell you what each step for success is for each paragraph and also gives you an example of writing. Don't forget this is for inspiration not to just copy exactly!

Reading

Remind yourself of the text you have read so far with White Fang (Monday resources) and the vocab mat too.

Use the reading resource for today to answer the questions 25 – 31b. Try and get used to the SAT reading layout/ format.

Spelling

Look at the spelling list of 'root' words picture under the resources part of today's page. Using the rules we have learnt this week, complete the words adding any of the –able, -ible, ably or –ably suffixes.

There are some challenge words here – what are the rules for these?

The spelling videos are in our Year 6 channel list, if you need support.
