

Welcome to Thursday, 27th January

You can complete these tasks in any order and only if you are feeling well enough to do so! Record them by typing or writing them in your home learning journal.

Maths

Complete the sheet in the resources section. There is a video uploaded that should be able to support your learning here. Use some of the knowledge from this week too to help.

Writing

Use the plan that you created yesterday and the modelled write shown in yesterday's resource to now write your sequel to *The Viewer*. You can type this, if you wish. Maybe email it to your teacher!

Use the modelled write for support and use the success steps on the plan so you know what to include in each paragraph to make it a Year 6 standard.

Reading

Answer the questions in the resource section of home learning. These questions are based on the text from Monday, *Why is Snot Green?* Use the text to answer the questions over today (Part 1) and tomorrow (Part 2).

Spelling

Open the suffix grid resource or make a similar one and put these roots words into the correct column.

fame	curiosity	courage	caution	vice
superstition	marvel	fiction	danger	glory
anxiety	nutrition	delicacy	wonder	poison
malice	ambition	conscience	enormity	continue
gas	space	price	mountain	infection
disaster	outrage	vary	mischief	ferocity
