

Welcome to **Friday, 28th January**

You can complete these tasks in any order and only if you are feeling well enough to do so! Record them by typing or writing them in your home learning journal.

Maths

Complete the sheet in the resources section. Use the videos in the pre-learning section of last week's homework page for some support on algebra.

<https://blackhorse-ps.secure-primariesite.net/set-210122-due-280122/> You can find it at the bottom of the page.

Writing

Today you need to edit the fantastic writing that you wrote yesterday. Consider spellings and choose one paragraph to redraft. Change or add to one part of the paragraph enhancing what you have written. You can publish too, if you want to, ready to bring it into school.

Reading

Continue to answer the questions from yesterday using the text to support your answers carefully. After this look at the answers for today and yesterday. Mark them.

Spelling

Use the new words you created from yesterday to put into a sentence. Try and show a different word in a sentence from each spelling rule you have learnt this week.
