

Mission Masters

23.1

Agenda for today's meeting:

- Junior Maths Team
 - talk through
 - MM'S to offer maths support
- Personal Effort-Brain gym videos
- E-safety Week
- Buddy Spots/System
- Anti-Bullying poster competition Results
- AOB

Discussion points	Mission Masters and Deputies met today
Junior Maths Team -talk through -MM'S to offer maths support	The children found out who their focus child would be. They discussed strategies they could use to support. The Mission Master and deputy worked with a couple of children from their focus class. They worked on learn its and numbots/TTRS.
Personal Effort-Brain break videos	We discussed ideas for brain break videos. I have asked Mission Masters to think of ideas at home.
E-safety Week	We discussed E-safety week which will be the week beginning, 11th February. Mission Masters have been asked to collect ideas from their class about how we can promote this. The theme is, 'Too Good to Be True? Protecting Yourself and Others from Scams Online.'
Buddy Spots/System	The Mission Masters have said a 'Buddy Spot' would be useful. A place that people can stand when they haven't got anyone to play with. We talking about the blue star that we have in the playground which can be used for this. I showed the Mission Masters where this was. The Mission Masters feel it would be useful this to be highlighted in assembly and in classes.
Anti-Bullying poster competition Results	We only received 6 posters for the competition. The competition will be re-launched in assembly.
