

Mission Masters

13.6

Agenda for today's meeting:

- Start recording 'summary of the year' for school website.
- Plan classroom tour videos.
- Year 5/6 only-Make a PowerPoint presentation for assembly- playpod leader role.

Discussion points	
Summary of the year video	We discussed what we had achieved this year. We started filming parts for our video which will outline what impact the Mission Masters have made this year.
Classroom tour videos	We talked about what needed to be included in our classroom tour videos. Isabel suggested that we would need to offer reassurance for anyone who may be feeling nervous about the move into the next class. The children decided the important elements of the video would be: 1)Class teacher and Classroom assistants to be introduced. 2)Talk about the classroom/toilets/cloakroom/where you will come into school. 3)Discuss things that you have enjoyed and learnt throughout the year. 4)Reassure children that it is ok to feel nervous/excited.
Year 5/6 children Playpod Leader presentation	The Year 5 and 6 Mission Masters helped to create a powerpoint presentation telling children about the role of 'Playpod Leader.' This will be presented during assembly tomorrow.
Actions Red-Mission Masters Green-Me	-Mission Masters to plan their classroom tour video. -Holly, Felix, Vilmos and Archie to present 'playpod leader advert' during assembly Friday. -Organise a date when the Mission Masters and their deputies can share the videos with the new class. -Chat to Neil about the 'playpod advert' being discussed in assembly tomorrow. -Email classroom tour details so Mission Masters can plan their video.
