Discussion points	
Governor Shamina Chowdhury attended the Mission Masters meeting today.	
Junior Reading Team	Mission Masters and deputy Mission Masters read with allocated children.
Well-being meeting	• Tilly suggested that older children could buddy up with younger children if they are feeling sad or worried, they could have walks together. She suggested that the older child could share their worries and then listen to the younger child's upsets/worries. • Owen felt that school trips/visits would help with wellbeing as it makes the learning more interactive. • Ayaat suggested a Friday activity on the playground to help to cheer anyone up who may be feeling upset. A few children suggested raising money to help others. They felt that helping others and organising events would bring everyone together and support their wellbeing. • Riley C suggested a pancake sale. • Ava thought it would be a good idea to raise money for Promise Education. • Isabel suggested a drawing competition.
Discuss class tour videos	I informed Mission Masters and Deputy Mission Masters that they would be creating a tour video for the year below to tell them all about their class. All were happy to do this. I asked them to think about what places they will want to discuss and what information they will want to share.
