

Spelling Homework 23.10.2020

In our spelling lessons after half term we will be learning to add the suffixes -cial, -tial, -cially and -tially

The rule is that we normally add -cial if the root word ends with a vowel, and -tial if the root word ends with a consonant.

Use a dictionary (this could be online) to investigate the rule and see if you can find any exceptions (words that don't follow the rule).

You will be tested on words with the -cial, -tial, -cially and -tially suffixes on Friday 6th November.
