

Relative clauses WARM UPS

Write out any sentence which includes a relative clause.

The swamp, which is deep in the forest, is infested with alligators.

I don't know who would be brave enough to visit it.

Late at night, when the animals are sleeping, is the best time to visit them.

But the question is: who is brave enough to go there?

Complete the sentences to include an appropriate relative pronoun.

Paris, **which** is in France, is home to the Eiffel Tower.

Mr Butler, **who** had just been to the gym, popped into the bakers.

Jamaica, **where** my dad is from, is a long way from England.

It will be a brilliant day **that** all of us will enjoy!
