Dear Parent

EXTRA FUNDING FOR ADOPTED CHILDREN

I am writing to you regarding extra funding relating to adopted children.

As part of the Pupil Premium Plus scheme, your child could benefit from £1900 worth of additional funding which the school could use to provide additional support. Enclosed are details about the scheme.

In order to be eligible for this **you need to write to the school declaring your willingness for your child's adoption status to be used to apply for the grant enclosing a copy of your child's adoption certificate.**

Your child will not be singled out in any way, nor will any reference be made by the school to your child's adopted status. Your permission will simply allow the school to discretely use the funding to support your child with their learning and pastoral needs in class and we will be happy to discuss how this might happen once we have received the grant.

I look forward to hearing from you and please feel free to contact me should you have any questions.

Yours sincerely

Simon Botten
